

# Finishes & Colours

This colours and finishes' palette represents the proposal that Martex conceived through a selection of materials and colours suitable with the Han personality. This research is not certainly exhaustive because the high level of customization of Martex products allows to search for personalized and dedicated solutions.

Questa palette colori e finiture rappresenta la proposta che Martex ha elaborato selezionando materiali e cromie adatti alla personalità di Han. Questa ricerca non è, evidentemente, esaustiva perchè l'alto livello di customizzazione dei prodotti Martex permette di ricercare anche soluzioni personalizzate e dedicate.
